Artemus Ward Among the Beviewers.

"Artemns Ward. His Book" is attract-

that he is possessed of shrewdness, observation, and a certain dry funniness, which behests of North Carolina. Thesegentlevation, and a certain dry fearniness, which is sometimes very amusing. We cannot say that we could read him for long with any amount of pleasure. The humor, though elever in its way, is frequently nothing more than that well-known Yankas known things which if it sate as hothing more than that well-known Yankee knownothingness which, if it sets us laughing once, causes us to feel depressed and unsuccessful rebellion in this country, that North Carolina was a participant in it, and that the Government which conducts a substantial participant in it, and that the Government which conducts a substantial participant in it, and that the Government which conducts a substantial participant in it, and that the Government which conducts a substantial participant in it, and that the Government which conducts a substantial participant in it, and that the Government which conducts a substantial participant in it, and that the Government which conducts a substantial participant in it, and that the Government which conducts a substantial participant in it, and that the Government which conducts a substantial participant in it, and that the Government which conducts a substantial participant in it, and that the Government which conducts a substantial participant in it, and that the Government which conducts a substantial participant in it, and that the Government which conducts a substantial participant in it, and that the Government which conducts a substantial participant in it, and that the Government which conducts a substantial participant in it, and that the Government which conducts a substantial participant in it, and that the Government which conducts a substantial participant in it, and that the Government which conducts a substantial participant in it, and that the Government which conducts a substantial participant in it, and that the Government which conducts a substantial participant in it, and that the Government which conducts a substantial participant in it, and that the Government which conducts a substantial participant in it, and that the Government which conducts a substantial participant in it, and that the Government which conducts a substantial participant in it, and that the Government which conducts a substantial participant in it, and that the Government which conduc is at times suggestive of a lurking spirit of pathos, which exalts and intensifies the humor. We see this repeatedly in the pages of Shakespeare; again in the exuisite and loveable creation of Addison's mey, Sir Rogor de Coverly; and most obly in the essays of Charles Lamb, the that Charles J. Jenkins will be chosen oems of Thomas Hood, and the novels of

DAILY, TRI-WEEKLY AND WEEKLY, The Forest City Described by an Eng-CLEVELAND LEADER COMEANS

de upon us by Portugal in what is re- St. Louis or Gincinnati but its trade bears use. presented as a parallel case. In 1814, a an even larger proportion to its inhabi-rebel leader named Artigus formented and tants than does theirs. Situated upon the shores of Lake Eric, Cleveland, like insurrection in the Portuguese pessessions in South America, and declared war against Portugal and Brazil. Agents of his fitted out privateering vessels at Baltimore, which managed to slip out of that port undesteed, and, sailing under his flag, did considerable damage to Portuguese commerce. After the insurrection had been a certain amount of local independence; and the second opposing them a certain amount of local independence; and the second opposing them a certain amount of local independence; and the second opposing to some time past in plundering the cars of the Pennsylvania Central Raiload, at Altoona; they stole thousands of dollars worth. Eight members, out of nine—one was used as State's evidence—were sent to the Pennsylvanian coal. Firmaces are established which annually produced the insurrection had been the insurrection had been and the second opposing them a certain amount of local independence; and the second opposing them a certain amount of local independence; and the second opposing them a certain amount of local independence; and the second opposing the results with the mother country, and securing them a certain amount of local independence; and the second opposing to the Pennsylvanian control of the securing them a certain amount of local control of the Pennsylvanian control of considerable damage to Portuguese commerce. After the insurrection had been subdued, the Portuguese government presented to the United States its bill for the damages done by the privateers of Artigas, and demanded settlement thereof. The elaim was very properly refused, on the grounds, which were fully proven by the facts, that the utmost vigilance and energy were excreised by our government in preventing the fixing out of these privateers, and in punishing the fixing out of these privateers, and in punishing the fixing out of these privateers, and in punishing the fixing out of these privateers, and in punishing the fixing out of these privateers, and in punishing the fixing out of these privateers, and in punishing the fixing out of these privateers, and in punishing the separate by these pirates had been brought the proposed of the private of th in the affair, and that whenever vessels captured by these pirates had been brought into American ports they were in all cases restored to their owners. The negotiations in reference to the matter lasted for years, and were finally terminated by the property of their country in the "Grain City," and so on throughout the "Grain City," and so on throughout the whole gazotter. Cleveland has been favored with a very pretty title, but, though "Empire" does really belong to wealthy and swarming New York, and "grain" to their younger sister Chicago, the "Forcet City" is now without a trace of forest for miles around. Some he was born. He is lifted about by his however, suppose that its name refers to

tion with whom they are at peace, and having faithfully carried into execution the lawe enacted to preserve inviolate the neu-tral and pacific obligations of the Union, cannot consider itself bound to indemnify dividual foreigners for losses by capture or which the United States have neither outrol nor jurisdiction. For such events o nation can in principle, nor does in pracno nation can in principle, nor does in practice, hold itself responsible. A decisive reason for this, if there were no other, is the inability to provide a tribunal before which the facts can be proved * * * * Should the parties come within the jurisdiction of the United States, there are courts of aim rathy competent to uscertain the facts upon litigation between them, to punish the attention of the United States, there are courts of the United States and the United States an

mark that Giveland is thought of by Agent Conceases irring, and the fact of the properties of the prop

ing some attention from the English critics.

From a notice of the book in the London
Review we take the following extract, which comments very justly on one of its gravest faults:

To us be appears, as we remarked in vided, into the scale against the less outh.

The subscribe to the oath, they have all been inflexibly carried out. The scheme is to throw the whole weight of the influence of the State, undimedrately and other points of importance. Much diligence was displayed, and this policy has been inflexibly carried out. The scheme is to throw the whole weight of the influence of the State, undimedrately and other points of importance and other points of importance during the condingly determined to open a fresh route through Northern Pennsylvania by the clampionship of the world.

bined with the native energy of Mr. MeHenry, an American, to hurry the Atlantic and Great Western line to completion,
or rather to its opening for traffic. Complete it is not as yet, for extensive additions
are to be made. But the line was opened
with every prospect of success just as
American secured her dearly prized Union
by an overwhelming display of physical
torce. The Englishmen who had calculated
that this same force must eventually win.

Theste.

A novel, and somewhat noisy, musical
in Paris. It says:

"The number of admissions to the horspitals diminishes sensibly in the course of
Sunday. Another reassuring sign is that
that the patients admitted have a better aspect,
and that the cases are becoming more accessible to the resources of art. The epidentic doubtless makes its influence felt in
while performing the second act of the

Congress into the repeal of the test oath. In fact, it furnishes one of the strongest arguments for insisting on its strict enforcement.

The Next Governor of Georgia.

Advices from Georgia are to the effect that Charles J. Jenkins will be chosen of Governor of that State at the forthcoming a popular election. Indeed there seems to Governor of that State at the forthcoming popular election. Indeed there seems to be no candidate in opposition to him, as Manchester school. Cleveland could not

and Cloe Inches, could they have dreamed letter in naming the place?) who perhaps looked further ahead than the bride and TUESDAY, NOVEMBER 1, 1863.

We extract the following comments upon Cleveland from the American correspondent of the London Standard. The argument which Earl Russell and the English papers seem to place most reliance upon, in justifying a refusal to be in Cleveland at the time of their settle our demands on the secret our demands on the secret to uright here. He speaks of Cleveland as follows:

The United States in setting aside a claim made upon us by Portugal in what is re
Issued further ahead than the bride and bridegroom of 1797, could hardly haveled thouse world and the weddell House world do things in 1865. Least of all could any-body believe, did not statistics prove it be author of the letter did not accompany. Six Morton Peto and his party, but happened to be in Cleveland at the time of their visit here. He speaks of Cleveland as follows:

The argument which Earl Russell and the time of the intensity of the letter and onto standard. The author of the letter did not accompany. Six Morton Peto and his party, but happened to be in Cleveland at the time of their sales of the inhabitants. Fair increase too, no mere accession of the Academy of 1797, could hardly haveled that he ball could any-body believe, did not statistics prove it be author of the letter did not accompany. Six Morton Peto and his party, but happened to be in Cleveland at the time of their double pound in habitance upon, in justifying a refusal to visit here. He speaks of Cleveland as follows:

The argument which Earl Russell and the bride and the ball could any-body believe, did not statistics prove it be author of the letter did not accompany. Six Morton Peto and his party, but happened to be in Cleveland at the time of their habitants. The Creoles of natives of the cholera, more or climate general who have a paper on the same subject. He stated that he condition of climate general who have a paper on the same fellowers. The Creoles of the inhabitants are subject. He stated that he condition of permanent residents.
